Work Experience

Front-end Intern , Nestor Analytatics Pvt Ltd

May 2024 - Present

- Coordinated **AI model** integration (**GPT Series, Gemini-AI, Llama, Qwen**) with Python, achieving an **80% efficiency** improvement in generating **large-scale, high-quality** datasets.
- Automated **data validation pipelines**, ensuring **100% data integrity** and eliminating manual validation efforts.
- Designed and implemented **dynamic flashcards** using **HTML, CSS, JavaScript, and jQuery**, enhancing user engagement and retention.
- Utilized **AI tools** like **ChatGPT** and **Qwen** for automated content generation, creating tailored, interactive educational content and expanding flashcard topics.
- Updated and optimized a scalable **Python-based server** using **Flask** to manage **deck operations, user data, and reports, ensuring enhanced operational efficiency** and streamlined data management**.**

Project Experience

Personal Portfolio

- A **responsive portfolio** website to showcase **my skills**, **projects**, and **experience**. Built with **React** and styled using **Material-UI** for a modern look.
- Features include an **about section, project gallery, and contact form**, optimized for all devices.
- **Technologies used: Javascript , React.Js,Material-Ui,CSS**
- **Project link** : https://jagadeeshpati-potfolio.netlify.app/

InstaShare

- Developed a **social media** sharing frontend application that allows users to view and interact with images. Implemented features like user **authentication**, **login** functionality, and a **responsive design.**
- Built using **React** for the front end and **Fetch API** for backend communication
- **Technologies used :Javascript , React.Js,CSS ,HTML**
- **Project link : https://jagadeeshinsta.ccbp.tech/**

Educational Background

Bachelor of Engineering in Electrical And Electronic Engineering

Bhimavaram Institute of Engineering and Technology College
Dec 2020 - July 2023
CGPA - 6.3

Diploma in Electrical And Electronic Engineering

Smt.B.Seetha Polytechnic college
Jul 2017 – May 2020
CGPA - 7.4

Secondary School Of Certification

CSri Chaitanya Techno School
jun 2016 - Aprl 2020
CGPA - 9.7

Skills

Technical Skills

- Python
- My SQL
- Java Script
- J-Query
- HTML
- CSS
- React Js

SOFT SKILLS

- Quick learner
- Problem solving
- Team Work
- Time Management

Tools/Sofware

- VS Code
- Py charme
- Git

Certifications

- Young Professional on TCS
- Software Engineering Virtual Experience on Forage

Interests

- Listening to Music
- Watching Anime
- Reading Manga
